25X1A

1. On 2 February 1968 the Board approved (reference a) a COMIREX recommendation that selected sanitized BLACK SHIELD information and photography of North Korea be released [REDACTED]. The 2 February authorization modified the original recommendation (reference b) in limiting authority for release to the first BLACK SHIELD mission over North Korea, BX 6847. On 19 March USIB approved a request to extend the release to include the second mission over North Korea, BX 6853.

25X1A

2. COMUSFORKOREA has now requested authority to release photography and information derived from BX 6858 [REDACTED] under the same conditions and restrictions as approved by the Board for the first two missions.
